

9TH ANNUAL

- CHAMBER OF COMMERCE - 2021 BUSINESS EXCELLENCE AWARDS Sponsorships

The Business Excellence Awards is a casual and fun event for the community, business owners and staff to support and learn about businesses who have excelled in the Lennox & Addington area.

Now in its 9th year, the Napanee & District Chamber of Commerce along with its committee and sponsors would like to acknowledge and recognize the success of our business community by running this annual event.

Sponsorship of the Business Excellence Awards is an admirable way to publicly support local businesses and encourage the celebration of our local economy. Last year's sponsors garnered nearly 12,000

impressions on Facebook alone and the online event received over 500 views. Given the challenges that the last 15 months of the Covid 19 pandemic have posed to businesses, this event is an extremely memorable one. Your sponsorship is of great value to our organization and the uplifting spirit of local businesses.
